Approval by the Architectural Control Committee for a variance shall be by written instrument addressed to the Owner of the Lot with respect to which such variance has been requested. Such written instrument shall, set forth the applicable covenants, the variance requested, and the decision of the Architectural Control Committee and the conditions on which the variance has been approved. Section 8. No Waiver. The approval or consent of the Committee to any Plans arid Specifications for any work completed or proposed or in Connection with any other matter requiring the approval or consent of the Committee, shall not automatically be deemed to constitute a waiver of any right to withhold approval of consent as to any Plans or Specifications or other matters subsequently or additionally submitted for approval or consent by a different Owner for the same or similar work.

Section 9. Interim Inspections. The Committee may inspect all work in progress and give notice of noncompliance as provided in subsection 11(b) below. In such event, no further work shall be done, pending resolution of such non-compliance.

(b) Within such reasonable time as the Committee may set, but net to exceed seven (7) days thereafter, the Committee or its duly authorized representatives may inspect such Improvements. If the Committee finds that such work was not done in compliance with all approved plans and specifications submitted, it shall notify the Owner as provided herein in writing of such noncompliance within such period, specifying in reasonable detail the particulars of noncompliance requiring the Owner to remedy the same.

(a) Upon the expiration of forty-five (45) days from the date of such noncompliance, the Committee may commence art action at law or in equity to remove or reconstruct the noncomplying Improvements,

The Committee shall consider the aesthetic aspects of architectural design, placement of buildings, landscaping, color schemes, exterior finishes and materials, and similar features, but shall not be responsible for, nor shall its approval of any plans and specifications be deemed approval of the structural safety or engineering soundness of the Improvements, or conformity thereof with any building, zoning, or other codes.

Section 12. Powers Vested in Board. The powers and duties of the Committee shall be deemed vested in the Board if no Committee has been established.

Section 13. Declarant's Powers. This Article shall not apply to original construction and normal sales activities engaged in by the Declarant or its successors, assigns or designees in developing and marketing the property.

ARTICLE V
GENERAL PROVISIONS

Section 1. Terms. These covenants shall run with the land and shall be binding upon all parties and all persons having or acquiring any right, title, or interest therein, or thereof, for a period of forty (40) years from the date that this Declaration is recorded. After such period of forty (40) years, these covenants shall be automatically extended for successive periods of ten (10) years each, unless an instrument consented to in writing by Owners owning not less than two-thirds (2/3) of the Lots has been recorded agreeing to terminate this Declaration.

Section 2. Amendment of Declaration. This Declaration may be amended at any time by a vote of not less than two-thirds (2/3) of the Owners of the Lots or when an instrument setting forth the amendment or amendments has been consented to in writing by Owners owning not less than two-thirds (2/3) of the Lots. So long as any amendment to the Master Declaration requires the prior approval of the Federal Housing Administration or the Veteran's Administration, any amendment to this Declaration shall also require such approval. This Declaration and no amendment hereto shall be construed to contravene or be inconsistent with the terms of the Master Declaration.

Section 3. Proceeding Against Persons Violating Covenants. Upon any violation of any of the covenants in the Declaration, the Association, the Architectural Control Committee or any Owner may bring proceedings at law or in equity against the person or persons violating any such covenant to correct or cease such violation or, where applicable, to recover damages for such violation. The Association, the Architectural Control Committee or any Owner successfully prosecuting an action in law or in equity shall be entitled to recover from the defendant any and all costs, fees and expenses, including attorneys' fees incurred by the Association, the Architectural Control Committee, or the Owner in such proceedings, including any appeals. The Association shall have the authority to levy fines for violations of the terms of this Declaration. No fine may be levied except after giving reasonable notice and opportunity for a hearing. A fine may be levied on the basis of each day of a continuing violation with a single notice and opportunity for a hearing. Fines shall not become a lien against a unit or lot. Failure by the Association, the Architectural Control Committee, or any Owner to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter.

Section 4. Severability. If any provision or provisions of this Declaration are determined by any court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of the remaining provisions of this Declaration.
